ODE TO SHELLY

Bridalwear / Collection / About / Contact

Potentially:

/ BRIDAL

/ COLLECTION

/ ABOUT

/ CONTACT

with the OTS logo/name always taking you back home.

HOME

Very minimal.

Something like:

ODE TO SHELLY

Contemporary bridalwear & beyond

Copenhagen

Then perhaps one strong image or no image at all initially.

A short introduction:

Contemporary bridalwear for women who want something a little different.

Made to order in Copenhagen.

Then perhaps:

The homepage doesn't need to tell the entire OTS story.

BRIDAL

Structure:

Contemporary bridalwear

A short introduction to what OTS does.

THE SHELLY CUSTOM

Our full custom bridal experience.

We can explain:

/ Starting from 20.000 DKK

/ Design development

/ Fabric and trim sourcing

/ Fittings

/ Construction

/ Final adjustments

And explain that the final price depends on the complexity and materials of the look.

SEMI-CUSTOM

For someone who likes an existing OTS design but wants to adapt it.

THE COLLECTION

For brides who want to build their look from existing OTS pieces.

THE PROCESS

01 / GET IN TOUCH

Tell us about your wedding and what you're looking for.

02 / MEET

We meet in our Copenhagen studio and talk through your ideas.

03 / CREATE

We develop and make your look.

04 / WEAR

Your finished look, made for you.

Then:

Getting married in 2027?

We'd love to hear from you.

This page can be entirely typographic.

COLLECTION

This can be our broader OTS universe.

Rather than a traditional webpage at this stage, it could simply say:

THE COLLECTION

Pieces made for weddings, parties, nights out and everything in between.

Then perhaps very sparse images / product names / prices.

Eventually this can become our RTW webshop.

ABOUT

The Shelly story. Not a long text.

Something like:

TWO GIRLS. ONE SEWING MACHINE.

Ode to Shelly was founded in Copenhagen by designers Karen Müller and Kristin Sigus-Katmann.

We met during our design studies at The Royal Danish Academy and started Ode to Shelly from our shared studio practice...

Then the story of Shelly, our approach to making, circularity, etc.

And perhaps:

Karen Müller

Co-founder / Designer

Kristin Sigus-Katmann

Co-founder / Designer

No portraits, for now.

CONTACT

Keeping it very simple.
